DISTRICT 1 ZONE A

SEPTEMBER 2017

Message from the editor

Dan Lajoie

Greetings everyone and welcome back to another exciting year for The Kin Club of Cambridge (Preston). While we may not have had all the hot summer weather that we were hoping for, there were plenty of great times and memories over the past couple months.

This is my first publication as the Kin Bulletin Editor and I hope you enjoy. It's not the first time I have put together a newsletter, but it has been a while so I hope I'm not too rusty. This is also the beginning of the new Kin executive under the leadership of President Chris Kekes. Chris has many years of experience within Kin, both locally and throughout district and zone.

Although we had no official club meetings over the summer, the club remained very active in our community starting with our participation in the 150th Canada Day parade. With some great tunes and a lot of great Kin spirit, our float brought people to their feet (which was a good thing, because they needed to be standing and ready to run to avoid the rain!) We also provided great service to some projects over the summer including Cambridge GrandFest, Hot Springs Music Festival, Lang's BBQ, and the MS Walk. Many hands were on deck for these events, offering our barbecue and food services. Hungry bellies were filled thanks to our famous burgers and fries.

As we look to the upcoming year we are excited to offer our members many fun and exciting themed club meetings, social events, special community events and many continued traditions.

I look forward to seeing you all on a regular basis. If you have any thoughts or feedback about the bulletin, don't hesitate to speak with me or send me an email: dan@webbarn.ca. *Cheers!*

From The President

Greetings Fellow Kin! I am so pumped to be beginning the new Kin year!! We are in for a big year this year with lots of fun, fellowship and service!! I believe we are also in for a big year of growth. Kin has a lot to offer and so does our Club. I can truly say that this organization has given me my closest and best friends and has truly helped me to grow as a person. Together with all the money I have helped to raise and give to Cystic Fibrosis and many other causes makes me so glad I joined the Preston Kinsmen all those years ago. You will not want to miss any meetings this year and I am so looking forward to sharing great experiences with you all as we Grow, Learn, Make friends and have fun!! Bring your friends, bring your family, bring your co-workers and grow the club!!

YIK

President Chris

Executive Bio: Dan Lajoie

It's my second year of Kin and I'm on the executive as Bulletin Editor. What was I thinking? I mean, that's a lot of work, right? I'm just learning how things work: club house rules, district, national, kin song, 20,000 different bank accounts (at least it seems that way). WHAT WAS I THINKING?

Well, I suppose if I think about my history, it's not that much of a stretch. Of course, my parents were both Kin many years ago so I'm familiar with the family. Then there's my employment/hobby/skill set; website designer, graphic designer, newsletter editor, magazine editorialist, marketing and copywriting consultant, program coordinator, event planner, the list goes on.... Most everything is self-taught. I went to university for general arts/professional drinking, but most of my skills were gained afterwards; looking for opportunities to learn more and be better.

Okay, great. So I have the skill set to be able to put together a newsletter. Still... It's quite a job for somebody who is just getting their feet wet. Well, as my wife (fellow kin, Maggie Lajoie) would tell you, the only thing bigger than my head is my ambition. I love to do things, I love to help, I love to say "YES"! People are often curious how somebody with a significant physical disability can be so active, productive in the community. I say "yes" to things. Whether or not I should or can do it is irrelevant. I figure those things out as I go, and so far, there isn't too much that stops me.

As for my personal life, married, two kids, not enough money, same old same old. Like everyone else, I think my kids are the greatest kids on the planet (as it should be). I love watching sports: football (Canadian and American) and hockey at all levels (Edmonton Oilers are my lifelong team.) I consider myself a bit of a movie buff and I enjoy playing the odd videogame (I don't often admit that one because it's not really cool for men in their mid-40s to be playing video games, but whatcha gonna do?)

I suppose that's it. I'm looking forward to this new opportunity with this new family of Kin. Don't ever be afraid to approach me or ask me about anything for the club. I hope you enjoy the newsletter, I'll do my best, but please let me know if there is something you would like to see (or not see, I suppose.)

K40 Celebrating Special 50th Anniversary

The K40 are celebrating the 50th Anniversary of a special event put on by the Kinsmen Clubs of Galt, Preston, & Hespeler in 1967.

50 years ago, the 3 clubs worked together to bring the people of Cambridge (although it had not yet been named so) "*Calypso 67*". This special event took place in the year of Canada's 100th birthday and started on New Year's Eve with weekly events culminating in September with four days of fabulous entertainment!

You are cordially invited to help the K 40 celebrate on Friday, September 29 at the Kin Hall. There will be old footage/movies, scrapbooks, calypso music, piña colada's and a potluck supper. There is also hopes of some special just speakers who can tell us about the event and how it got started.

If you are interested in attending, please contact Life Member Earl Grubb. Thank you.

- [illegible]

- a. Langs BBQ – No profit or expenses (other than \$28 for propane), so no project report. Langs would like to invite us to an event on September 29th – 11:45 to 1:00, as a thank you. RSVP deadline is September 22nd. They will give us time on their agenda to promote Kin.
 - b. Grandfest – Project report passed on to Dan. Total profit, without selling the food was \$356.54.
 - c. Projects in General – We need to review the costs involved with the projects that we are doing – all the projects and ensure that we are maximizing the profit that we can make. Using Carnival as an example - When we consider 30 volunteers working 810 per hour that we are open carnival, the hourly wage would be \$8.39 based on the profit that we took in. That doesn't take the hours for set up or tear down into consideration.
 - d. Bingo –Deedee is only chairing until the end of this month. LM Jerry will take over as Bingo chair, and handle the scheduling and reports.
- 10. Old Business –**
- a. Shirts for Bingo - Melissa will send an email to the members to get sizes for the club shirts, so that we get them ordered ASAP.
 - b. Digital Photos – Dan wants to put something together where we could put pictures of club events and anything with our members so that they can be easily accessed by all of us.
- 11. New Business –**
- a. K40 – Chris received an invitation from the K40 club to attend a celebration of the 50th anniversary of Calypso '67 on September 29th. Event is potluck, so there is no charge to attend – just bring food.
 - b. Chamber of Commerce is offering a deal for advertising to Service Club – “Salute to Association / Not for Profit Package” ad space in the Spectrum, plus 2 weeks of advertising on the Roadside TV. Total cost would be \$216.99, for advertising that is worth \$505.98. Motion to take advantage of this, with the \$216.99 to come out of Carnival by Dan, seconded by Maggie. Carried
- 12. Motions made at Planning Meeting –**
- a. Motion by Dan to increase the service levy from 15% to 25%, seconded by Dean. Carried.
 - b. Motion by Nancy to recommend to General that the maximum amount for donations made at Executive be increased from \$300 to \$500. Seconded by Michelle. Carried.
 - c. Motion by Michelle to recommend to General that we donate \$1,500 to the Air Cadets from both the Kinsmen and Kinette Bingo Accounts (total \$3,000). Seconded by Dean. Carried.
- 13. Good of Kin –**

- a.** Motion by Wendy to strike a committee to investigate replacing the floor in the lounge, seconded by Dan. Carried. Committee to be chaired by Eric.
 - b.** Motion by Dan to investigate options with respect to the Yellow Pages, seconded by Maggie. Carried
 - c.** Motion by Melissa to clean out the upstairs, with all the costumes to be donated to Preston High School's Drama program and/ or Galt Little Theatre, seconded by Adrian. Carried with regret.

KIN SONG

Here we are together once again
One and all a happy bunch of Kin,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Turn around, grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
Kinsmen, Kinettes and Kin!

KIN GRACE

Happy to meet. Sorry to part.
Happy to Meet again
May the Lord make us true Kin
In our thoughts and deeds
And make us truly grateful
For the food we receive. Amen
