## **4<sup>th</sup> Annual “KINSHIP” Golf Tournament Hosted by the Kin Club of Cambridge (Preston)**

July 27, 2018

Dear Community Supporter,

We would like to give your business the opportunity to help us provide for the neighbourhood we share.

The Kin Club of Cambridge (Preston) is a local service clubs whose motto is “Serving the Community’s Greatest Need”. Our dedicated volunteers work hard to help improve the area we live in. Locally we lend a hand to boys and girls clubs, individuals with specific needs, and charitable organizations who require extra support. We are proud that our Clubs donate all proceeds, to help others. Through our projects we have helped school sports teams achieve their goals, and have seen individuals flourish.

For over fifty years, Kinsmen and Kinette Clubs across Canada have been committed to raising money for what has become our national cause - Cystic Fibrosis. We work together with Cystic Fibrosis Canada to help find a cure or effective control for Cystic Fibrosis and to improve the quality of life for those with the disease. Since 1964, we have raised over \$42 million in cumulative contributions and have played a pivotal role in fueling the Canadian research effort. In fact, when Kin first joined in the fight, the median age of survival for a child with Cystic Fibrosis was 4 years of age, today that number has increased to 50.9 years of age. Although Cystic Fibrosis is still fatal, this growth is a tremendously encouraging sign that together, we can continue to chart a course that may some day lead to a cure for this devastating disease.
